

Husson University is a premier university offering professional programs where students succeed, experiential learning is championed and global engagement is emphasized. If you would like to lead a team of exemplary faculty, now is your opportunity.

Husson University is searching for the right individual to become our
Dean for the College of Science & Humanities.

Reporting directly to the Provost, the Dean is the chief academic and administrative officer over the College and has oversight and responsibility for teaching, scholarly activity, professional development, faculty recruitment and supervision, budgetary planning and management, strategic planning, fundraising and grant seeking. The Dean leads and shapes the College culture and furthers the institution's strategic objective of academic excellence.

To be considered, candidates must have a PhD or other earned doctorate in a science or humanities field. Minimum of three to five years' administrative experience in academia as a Dean, Assistant or Associate Dean, or Department Chair. Demonstrated commitment to the highest standards of professionalism, personal integrity, diversity, and excellence in all working relationships. Outstanding analytical abilities, interpersonal communication skills along with being self-motivated and a strong team player are important attributes for success.
