

TOURO COLLEGE
ASSISTANT PROFESSOR
Clinical Mental Health Counseling program

Reports to: Program Director
Status: Full Time
FLSA: Exempt
Location: Manhattan and/or Brooklyn

JOB SUMMARY:

The Department of Behavioral Science within the School of Health Sciences at Touro College and University System invites applications for a full-time position at the rank of Assistant Professor in Clinical Mental Health Counseling. **Position is effective Fall 2020.** The college places a high priority on teaching excellence and on research with an expectation that the candidate will also be active in their professional field.

The successful candidate will be expected to support our growing student population through advising, collaborating on research initiatives, and will work in collaboration with other programs within the department.

JOB RESPONSIBILITIES:

Responsibilities include but are not limited to:

- Teach full time graduate level Clinical Mental Health Counseling courses; advise graduate students (3 courses Fall and 3 courses Summer).
- Supervise students in field placements.
- Engage in research/scholarly activity at a level appropriate to rank.
- Supervise students, and/or perform other assignments as approved by the Program Director and Chair.
- Participate in faculty meetings, advise students, provide service to the program, the Department of Behavioral Science and the Touro College community.

REQUIREMENTS:

Education, Preparation, and Training

Candidates **must** have a doctoral degree in counseling, counselor education, or a related field from a CACREP-accredited program OR have taught for a minimum of one full year in a counseling program prior to July 1, 2013.

Identify as a Counselor Educator (e.g. sustained membership in professional counseling organization(s), national certification, etc.).

Be licensed (or New York State license eligible) as a Mental Health Counselor in New York.

Show evidence of teaching graduate level Mental Health Counseling Courses.

Show evidence of clinical supervision experience.

Have history of, or evidence of promise in, scholarship appropriate for the discipline and rank.

Skills

Competence and/or experience in technology as an educational tool (e.g., CANVAS, Blackboard, WebCT, D2L)

A commitment to work in multicultural and urban education settings

Strong interpersonal skills, excellent written and verbal communication skills

Ability to think critically and solve problems independently

Ability to be organized and work on multiple tasks simultaneously

Entrepreneurial mindset

Team player, able to work collaboratively

Physical Demands

Extensive time sitting and standing

Extensive use of computers

Ability to lift 5 pounds

Computer Skills

Proficiency in Microsoft Office Suite including Word, Excel, PowerPoint, Outlook

SPSS skills essential, data analysis knowledge in Excel a plus

CANVAS educational platform

Internet journal library and google scholar search experience

Experience using various Electronic Medical Record platforms

Travel

Travel between meetings at multiple locations

To apply to the position, click on <https://touro.peopleadmin.com/postings/4812>

Preference will be given to those applications received by November 15th.

Sincerely,

Kim Asner-Self at kimberly.Asner-Self@touro.edu:
